

Children's Programs Mission

We provide a fun, safe and enriching environment where campers will be physically active while having fun and making new friends. We run a structured, engaging program with numerous activities where campers build life skills, learn good sportsmanship and make lifelong memories.

The Cincinnati Sports Club is proud to teach and instill core values through all of our Children's Programs. Each program is designed to teach honesty, perseverance, and stewardship while helping our youth develop the confidence they need to learn to make good choices as they mature in life.

"The camp at CSC has been an amazing, engaging adventure for our child. Each week he is excited for the next theme, and tells us about what his day was like, what he learned and the friends he has made. The team at CSC could not be more caring and driven to teach the children. They truly love what they do. In addition to his camp activities he is also attending tennis lessons as an extra curricular portion of the week, which helps him gain even more skills to the lessons he is learning. Best part, he leaves happy and exhausted, ready to get some rest for the next day! We couldn't ask for a better camp for him to attend."
