

## Children's Programs Mission

We provide a fun, safe and enriching environment where campers will be physically active while having fun and making new friends. We run a structured, engaging program with numerous activities where campers build life skills, learn good sportsmanship and make lifelong memories.

The Cincinnati Sports Club is proud to teach and instill core values through all of our Children's Programs. Each program is designed to teach honesty, perseverance, and stewardship while helping our youth develop the confidence they need to learn to make good choices as they mature in life.
